

Live Lighter Seniors Games

The South West Rural Respite Services and Carealot Bridgetown Friendship Club took part in The Live Lighter Seniors games in Bunbury. It was a smaller event than previous years with all 10 teams showing great sportsmanship in a well organised friendly event.

The Bridgetown Friendship Club members had proudly made their table cloth and chosen their name The 'B old and Beautiful' for the event which was the subject of much praise from the other teams.

Ann Steven's had made our pink cheerleaders pom poms. It was a fantastic day with everyone commenting on how much they'd all enjoyed being able to compete against the other teams. We all left for home feeling happily exhausted after a day of sheer enjoyment and with one member commenting on how good it had been for the soul. A huge thankyou to Dale Everett without her craft and sewing skills the tablecloth project would never have been possible also to Ann from Sew Gentle Era for her advice in helping with fabric selection and ideas also to Kevin Edsall for driving us safely to the games and your fabulous outfit and good Cheers.
